# *Jamaica March 27-April 3, 2010 Information Sheet*

Please join Singles Serving Orphans for a mission to remember. We will be combining our efforts with two very well established humanitarian efforts in Jamaica. Mustard Seed ([www.mustardseed.com](http://www.mustardseed.com)) and Food for the Poor ([www.foodforthe poor.org](http://www.foodforthe poor.org)).

You will work side by side with other single Catholic adults who share your same vision and passion for life: to serve others while growing closer to God. We will help orphans with disabilities for Mustard Seed and to assist Food for the Poor, we will paint a new home for a family, which our mission will purchase.

Our mission, within a retreat format, will include morning and evening prayer, Mass, fellowship time and a day of relaxation and reflection at a beautiful Jamaican beach.

This mission is Saturday to Saturday, Holy Week of Easter, finishing early morning on April 3rd. The cost for the week long mission, including meals, lodging, health insurance, transportation within Jamaica and donations for our construction supplies is: \$975.00 per person. In addition, you will need round-trip air to Kingston, Jamaica. We have fundraising opportunities both online and via mail. Donors can make tax deductible donations to your mission trip.
